[www.skatenet.com/catalog/instructions\\_txt.html](http://www.skatenet.com/catalog/instructions_txt.html)

At this point you will need to type the user name and password listed at the bottom of this section. Note all letters must be in lower case on both words, it will not work unless it is done right. If you goof up once just try it again. This is a back door to our site, but it gets you to the Instructions page immediately. The *faster* your modem, the less time it will take for you to place an order on our site, it is designed for speed.

**Read the instructions completely.**
